MESSAGE FROM THE PRESIDENT

This month's picture is at Mountain Travel Symposium, a national ski club meeting which is by invitation only. This year there were 150 ski club Presidents and VPs of Winter Trips/Trip Leaders. We each had appointments with at least 30 vendors, out of the 200 vendors attending the conference. I learned so much from the speakers, but learned even more by networking with other ski club Presidents and Trip Leaders. I will be sharing information with our new Springfield Ski Club (SCC) Board in the next months.

*We would also like to have someone in training to assist our Secretary. Joyce Metz has been doing this for two years and likes to travel!

* We need Dining Out Chairs to replace Virgene and Jack. They are retiring from planning Dining Out by August of this year.

* Please consider getting involved by volunteering for a committee to help assist an officer or planning touring trips. The more input, the better!

See you at Happy Hour!
Cheri Brueggemann Sloat

Saturday, June 9 - St. Louis City Museum, Urban Chestnut Brewery and IKEA

This trip involves visiting the St. Louis City Museum. The museum is housed in the former home of the 10 story International Shoe Company. The sprawling 600,000 square-foot City Museum is quite possibly the most ultimate urban playground ever constructed. The museum is the brainchild of artist and sculptor Bob Cassilly, who opened the space in 1997 after years of renovation and construction. The classically trained sculptor set out to make a funhouse for young and old out of unique, reclaimed objects found within the city's borders.

The second stop on this trip is a visit to the Urban Chestnut Brewery for German food and beer, located in St. Louis at 4465 Manchester Avenue.

The third stop is at IKEA. For those who don't want to shop at IKEA a trip to a nearby bar is an option.

Trip price: \$50.00
Cancellation fee: \$12.50
Terri Marbold is trip leader and can be contacted at 217-741-77343 or terri.marbold@yahoo.com for further information.

Trip to Italy and the Amalfi Coast, March

Italy 2018 was an amazing experience for the SSC travelers. We saw Rome, the Amalfi Coast, Montecassino, and several parts of Tuscany. Our trip vendor, Grand Circle Tours, did a wonderful job of planning the trip. Our Grand Circle Program Director herded us around Italy like the pro he is, and he and Simone made the trip fun for all. We were with him for 14 days of learning and laughing, he has become a friend to all of us.

There was a lighter moment when Simone told us about his experience in the Italian Army. He was in basic training and everyone was getting tested for sharp shooter school, which meant a lot of extra weeks of training. No one wanted to score high and do this extra training. It was Simone's turn, along with nine others at the same time, but at their own targets. Simone shot to the right, the left, high and low of the target, and then shot a few more times just to make it look like he was really trying. In all, Simone took six shots, as did his good friends to his left and right. The instructor read the friend's scores both as 3 out of 6. Simone's score was 7 out of 6. He was

congratulated and sent to Sharp Shooter's School. His friends had pulled a fast one on him and shot at his target. But Simone got the last laugh. He came back to the platoon with a higher rank than his friends and put them on toilet cleaning duty for 8 weeks. He and our bus driver were fun to be with.

Toward the end of one trip, Simone asked what we enjoyed the most and many of us yelled "Pompeii!" Pompeii was a bustling Roman City with spas, stores, restaurants and homes. In just a few hours in October of 79 AD, it all changed. Mount Vesuvius erupted and blew poisonous gasses and hot ash, smothering the city. Pompeii was frozen in time until it was rediscovered in the 17th century and uncovered from 60 feet of stone and ash. Walking through the remains and hearing the stories was eerie, as we saw the beautiful stone city that once survived on this spot, along with petrified remains of pets, parents and children. The picture shows our SSC President, Cheri Sloat, in a Roman coliseum in Pompeii. I just watched the movie, "Pompeii," and recognized several places.

During WWII, the Allies bombed and leveled the Montecassino Abbey, thinking the Germans were using it as a hideout. The sanctuary was spared, and the rest of the Abbey was rebuilt after the war. It was a beautiful location, dedicated to St. Benedictine, with white doves flying around the courtyard, and a peaceful place considering the bombing that took place in 1944.

We saw many villages and cities in Tuscany, and had fun Florence and Siena, with their cathedrals and artwork and the history of their competition for superiority during the renaissance.

We had a wonderful trip. The Italian people were pretty wonderful to us, as were the SSC travelers. The selection committee did a great job and they are planning a 2019 trip. Patty Staab is our new VP of tours; she has traveled extensively, with and without the club. Volunteer help is always welcome.

STANDING RULE #2

CANCELLATION & REFUND POLICY (11/14/96), (Amended 5/13/99, 4/9/05 and 1/8/15)

“Cutoff” dates and non-refundable deposits for trips and activities may vary according to transportation, lodging or other associated deposits. Cutoff dates for trips and activities will be established for each trip or activity by the Executive Board and published in the monthly newsletter. All cancellations must be made to the Trip Leader in writing or via e-mail. Refunds will be made as follows:

1. For cancellations before the published cutoff date, a full refund of all monies paid will be issued in a timely manner, less any Executive Board-approved cancellation processing fee established and published in conjunction with the trip or activity advertisement in the monthly newsletter.
2. For cancellations after the cutoff date, refunds will be as follows:
 - a. For any trip or activity where the allotted number of spaces are completely reserved and a replacement can be found, a cancellation may be made and a full refund issued, less any processing fees, as described in paragraph 1, above, any time prior to the departure of the trip or the start of the activity, provided the replacement person pays the full amount due, in accordance with the payment schedule for the trip or activity.
 - b. If a replacement cannot be found, the member canceling the trip or activity may submit, in person, in writing, or via email, a request for a refund. This request must be sent to either the trip leader, the appropriate VP or directly to the Executive Board. The request must be submitted within 15 days after the scheduled start date of the trip or activity and shall state the reason for the cancellation and the amount of refund requested. Requests will only be considered by the Executive Board, and refunds will only be made, once the trip or activity is completed and the full financial statement has been submitted for review and approval, as described in Standing Rule #13. Any refund approved by the Executive Board will come from recoverable expenditures derived from the specific trip or activity and not from the Club’s general fund.
 - c. Refunds will be distributed no later than 180 days after the first scheduled day of the trip or activity.

STANDING RULE #5

TRIP MANAGEMENT AND CONDUCT (11/14/96), (Amended 4/9/05 and 1/8/15)

1. All Trip Leaders shall be at least 21 years of age.
2. Trips shall be run as advertised, unless ski conditions, safety or wellbeing of trip participants dictate otherwise, in which case, the decision for an alternate plan rests with the Vice President of Ski Trips, Day Trips, or Tour Trips (as appropriate) or the President prior to departure. After departure, this authority rests with the trip leader.
3. Conduct by any individual which is offensive or hazardous to others or that does not project a good image of the Club could result in expulsion from the trip at the nearest place of public lodging or transportation by the authority of the trip leader. The trip leader will provide a review of the circumstances at the next Executive Board meeting with a board decision to maintain or cancel the individual’s Club membership.
4. Individuals will be held responsible for any damage to personal or real property of others.
5. Club arranged accommodations cannot be shared with non-trip participants.

STANDING RULE #7

GROUND TRANSPORTATION SMOKING POLICY (11/14/96)

1. Smoking will only be allowed during scheduled stops approximately every two hours of travel, if requested. NO smoking inside the travel vehicle is allowed.
2. Trips under two hours in duration will be classified as “non-smoking trips.”

STANDING RULE #8

PARTIAL SKI TRIP PACKAGES (11/14/96) (amended 4/9/05)

1. For trips involving a request to delete air (or other packaged form of transportation) service, only the actual cost of the ticket will be deducted from the trip price. The participant’s portion of the club’s overhead cost, including ground transportation to the airport or rail station used for the trip, will be included in the partial trip price.
2. All requests for partial trip packages will only be honored to the point where the Club may drop reserved seats without penalty from the tour operator and/or the carrier.
3. If a request for a partial trip participation is made and honored, the participant must make payment in the full amount within 5 days of the approval notification. A “partial” trip payment is not refundable unless the trip is canceled. CANCELLATION CUT-OFF DATES DO NOT APPLY. The club will not refund or attempt to “resell” partial trip packages should the participant drop from the trip any time after payment is made.
4. Requests to exclude lift tickets from a trip package must be made at the time of sign up. Requests for partial trip packages, including lift tickets, will only be honored to the point where the Club may drop such tickets, or other items, without penalty or loss of income (including any comp). Unless otherwise approved by the Vice President of Ski Trips, the member requesting “no lifts” will pay the full trip price. After the trip is completed, the unused lift ticket will be returned by the Club to the tour operator or the ski area for possible refund. Any refund will then be made to the member by Club check. Refunds may not be possible if purchase and use of a lift ticket by all trip participants is required for the Club to receive a discounted “group rate.”
